

Grade IV A

Dear Parents,

29.07.25

Greetings !

An educational field trip is an off-campus learning activity that brings excitement and adventure to learning. We have planned the educational field trip to **DECATHLON SPORTS on 30th JULY 2025** during school hours.

DECATHLON is place where students can find all types & ranges of sports equipments of durable quality. It can be a rich learning experience for children, offering opportunities to learn about various aspects of the world around them. These learning opportunities can be categorized into practical, social, and cognitive domains. Children can learn about different types of equipments as well as develop social skills like interacting with others and managing money. The students can bring 200 to 300 Rs [if they wish] to buy the equipment of their choice.

Students have to come in proper school uniform, with ICARD.

They have to bring books & notebooks of first lecture & last three lectures.

Nasta will be provided from school.

The lunch recess will be at 12.30 as on daily basis.

Principal
