

Grade I

Dear Parents,

Date: 13.10.25

Greetings,

The Field trip to **TRAFFIC PARK is scheduled on 15th October** for students of Grade I during school hours. The park is designed with an aim of creating awareness among children regarding traffic rules and public safety. It is very good place for young kids to teach them traffic signals. Small bus, ambulance, fire fighter, police officer and bicycles are the centre of attraction. The Traffic park enables children to gain hands-on experience crossing streets and with bicycle or other pedestrian safety challenges in a highly controlled environment.

Students have to wear proper school uniform with black shoes & white socks. I card is compulsory.

Note:

Students have to carry their water bottle & Lunch[if from home].

Breakfast will be provided from school.

Lunch recess will be as usual i.e as on daily basis.

Principal.
