

Dear Parents,

Date: 28.07.25

Greetings!

Khoj Museum is a child-friendly learning centre anchored on science, arts and innovation. At Khoj children are encouraged to participate and play with the displayed activities which impart experiential knowledge on different concept. Khoj believed that learning happens best when a child is immersed in a positive, happy experience and provides this by means of games and experiments designed around a certain concept such as soap bubbles, plants or moving images.

An educational field trip is an off-campus learning activity that brings excitement and adventure to learning. We have planned the educational field trip to **KHOJ MUSEUM on 29th JULY 2025** during school hours.

Students have to come in proper school uniform, with ICARD.

They have to bring water bottle in a small school bag. Nasta will be provided from school.

The lunch recess will be at 12.30 as on daily basis.

Principal
