Dear Parent

Date: 12/4/19

Greetings!

It is heartening to note in retrospect that as the current academic session comes to an end, we have achieved success in all our academic and co-curricular activities. This could have become possible only due to cooperation and support received from all of you from time to time. In the coming academic session, we are planning to extend various new facilities related to academics, extra-curricular activities and those related to different clubs.

We are also coming up with Math's Club, Science Club and Eco Club which will facilitate the students to develop understanding of these subjects in a better way and also to create scientific temper in them. Literary Club and Tuppets will take care of developing language and theatrical skills in our students. For better understanding of science subjects, we also have fully furnished and well equipped composite science laboratory, for teaching different types of practical's to our students.

Annual Sports Meet and Cultural Events are also in our planning to develop the innate skills of our students both on track as well as on a bigger stage. We would also tie up for different agencies for Teaching Aids. Scouts and Guides is a great movement in Tripada where leadership qualities are initiated in our young learners with an attitude to serve. There are many feathers in our cap regarding the achievements of Tripada Scouts and Guides. Parents are requested to motivate children to participate and take away great learning for their lifetime.

This academic session will have music as well as dance periods in their routine timetables. Undoubtedly, the after school activities will still be continued for all those students who would like to stay back for more trainings and practices for Chess, karate, skating, dance, music -vocal, instruments etc.

Besides academics and honing the innate skills, our special focus is also on the well-being of our students. We have counselor to motivate and guide young learners in all the situations.

Our canteen had been providing hygienic and healthy food for all our students by availing coupons monthly. Students can make use of this facility and relish on food as good as homemade which also provides wholesome nutrition to them.

The next academic year will witness learning beyond the classrooms much more than previous years. Field trips, picnics and **educational tours – National and International tours** will be organized regularly. You are requested to motivate your children to participate in all the activities and extend your cooperation to groom the kids for a holistic development.

Kindly note:

- The **Results** will be declared as per the following schedules in **our website only**

[www.tripada.org] from 9:00 am onwards

Std I and II : 24/4/2019, Wednesday

Std III and IV: 25/4/2019, Thursday

Std V and VI: 26/4/2019, Friday

Std VII : 27/4/2019, Saturday

[The hard copy of the same will be given after the school reopens]

- Books Distribution: **30/4/19** to **4/5/19** : Time: 8:00 am to 12:30 pm
- The School Reopens on : **10/6/2019 , Monday**
- Summer Camp : **April 15th to May 14th 2019**
- Apply T.C / L.C in case of transfers or school change before 31st May 2019 to avoid next year fees as applicable.

Undoubtedly, we have many milestones to strive, in this journey of Tripada, parents have extended their great support and cooperation, we anticipate further in the next academic year as well.

Wish you all a rejuvenating and refreshing summer break.

Dear parents,

Shrimati Kanchanben Bhikhalal Shah Samaj Kalyan Trust, in association with USA based corporation Progressive Talents INC. has sponsored "Mini Talents Hunt competition" to identify and nurture young talents from Standard 7th, 8th and 9th standard students. The entire competition will be conducted online from their mobile friendly website www.progressivetalents.com. The registration process is currently active and will end on 30th October 2018.

The competition begins from 1st November 2018. The students will be tested on three main aspects; personality test (study skills inventory and mindset); communication effectiveness and creative thinking skills. There are no registration charges to be paid for participating in the test either by the parents or the school as the entire competition is sponsored by Shrimati Kanchanben Bhikhalal Shah Samaj Kalyan Seva Trust. The results will be announced on 30th December 2018.

About 200 students will be selected and given an opportunity to join their nurturing and mentoring program which starts from 1st January 2019 and continue till the end of December 2019. The focus is to improve the study skills and soft skills of the participants.

All the students of our school are requested to participate in the competition. The registration can be done online on <https://progressivetalents.com/student-registration-form/>. Dear Parents

Greetings!

We appreciate your continued support and cooperation towards Tripada. The active cooperation of the parent is an essential pre-requisite for the welfare of the students. When parents and school collaborate together to support learning, young people achieve more in the school.

Kindly, note the following changes in this new academic year.

- The school timing of the young students of std 1 to 4 is from 7:45 am to 1:25pm. This change was introduced as parents consistently asked for it as the previous timing was too early for them. Lack of sleep often affects the child’s mood, learning and the behavior.

Still we are trying to find a solution to cope up with this issue as early as possible. Parents are requested to have patience as we have just begun the session. We will come up with a solution for the dispersal aswell.

- We have segregated our Campuses for Primary and Secondary/Higher Secondary Section. Henceforth, Tripada Day School Campus will have only Secondary and Higher Secondary Section. The students of Primary Wing of Tripada Day School Campus are now shifted to Tripada International Campus..It is a new environment for these students. We need to give them space and time to settle. Besides, we have introduced activities after regular school hours upto 3:10pm. We anticipate your patience for these new settings. As soon as our students get settled, we will work out an amicable solution for the same.

- We would like to reiterate that the area surrounding the school is residential. We request you to refrain from blowing the horn in the vicinity of the school. We also expect decent, polite and appropriate behavior towards our security staff who manages the huge crowd outside the premises of the school. Kindly don’t park your vehicles in front of the gate.

As role models for the students, it is imperative that we conduct ourselves in a way that is exemplary. Our conduct is values fundamental to the well-being of both the individual and society and that we are all responsible for the choices we make.

Looking forward for your support and cooperation!
