Dear Parents,

Date : 12.08.2021

Greetings!

The **E LIBRARY** expands the horizons in learning , enhances the reading skills as well as vocabulary among the students. The **E LIBRARY** is accessible anywhere and at any moment. The students can access enormous amount of knowledge, share contents with others facilitating the expansion of education.

E Books provide students with a completely learning experience and help them improving their academic performance.

So to facilitate our students with their skills we have uploaded Digital books i.e **E LIBRARY** in Google classroom. The students can read the digital books and upgrade themselves.
