

STD 4 -GROUP 1

Dt :- 1/12/21

Dear Parents,

Greetings !

We appreciate the parents for their support for sending their ward for offline classes. We also appreciate the presence of the students in the offline classes. As you are aware that still we don't have permission to conduct complete offline classes of primary section and the strength of the students is increasing day by day, so to follow the SOPs and to maintain the social distance among the students, we have planned for offline classes on alternate days.

The reporting time for students attending the offline classes will be 7.30 am.

Kindly follow the schedule given below for the attending the offline class:-

[The students have to come for offline classes as per dates & days given below]

Tuesday, Thursday and Saturday	1/12/21 to 15/12/21	B & E
Monday, Wednesday and Friday	16/12/21 to 31/12/21	B & E

Note : The students those who are not attending the offline classes will attend the online class at the same time.

Expecting your cooperation.
