

OPPORTUNITY to EXPLORE the LOGICAL & REASONING SKILLS → ASSET EXAMS.

Dear Parents,

STD 3 TO 10

Date: 22.09.22

Greetings!

The full form of ASSET is Assessment of Scholastic Skills through Educational Testing. It is a demonstrative test that encourages students to progress academically. ASSET is designed scientifically and is a skill-based assessment test. The questions are multiple-choice questions that focus on measuring skills and concepts practically Rather than testing the memorizing capacity. Through multiple-choice questions, the ASSET focuses on conceptual learning of the school syllabus.

- The student will be given a performance report that gives their strong areas and weak areas. Also, it contains their international ranking and practices questions to help overcome their misconceptions.
- A performance report allows students to know whether they have understood a concept clearly.
- The exams will be of English, Math & Science subjects. It will be offline and conducted during school hours in the month of November 2022. The fees for appearing in the ASSET exam for all the three subjects is Rs 750/- , But to motivate and to encourage our Tripadates we will be giving a discount of Rs 100/. So, interested students can register their name by 29th September 2022 by paying the fees of Rs 650/- to their class teachers.

Principal.
