New Grade – VII (2023-24)

Dear Parents,   Date:-23/02/2023

Greetings ….

As the academic year 2022-23 is drawing to a close, we express our sincere gratitude to each one of you. The academic pursuit this year was challenging but with the support of parents and students, we were able to render the best in academics and will successfully complete this year on 31st March 2023. The new academic year 2023-24 will start in the month of April 2023, and we hope that you will render your unstinted support for the coming year too.

As you are aware that the New Education Policy is going to be implemented from 2023. Which has clearly stated that there should be "no hard separation" between curricular, co-curricular and extra-curricular or academic and vocational/physical education/art, etc. However all forms of learning and skills will integrates not just the hands-on skilling component but also the theoretical knowledge, attitudes and mindsets, and soft skills that are required for particular occupations, through a broad-based education that is necessary for students to be able to take on and thrive in a fast-changing world.

From the next academic year 2023-24 apart from the main subjects, we are offering **CODING** as a skill subject in the curriculum, which would map the new National Education Policy. The Fees structure for the new academic year is as below :-

FEES STRUCTURE –Grade VII
