

Dear Parents,

Std II

Date: 19.09.22

Greetings!

School FIELD TRIPS are an integral part of personality development of children, as they get to explore unique things, and think out of the box. They are vital if the children are to explore the wider community and to gain a greater knowledge and understanding of the world. Additionally, they can be an effective way of boosting children's' cultural capital.

We have organized a FIELD TRIP for students of std II to the TRAFFIC PARK on 24th September 2022 . **Traffic Park** is the best place for the children to spend some time here at tranquility as well as learn traffic rules. They can have the awareness of traffic rules by riding a cycle themselves. The charges for the picnic are Rs 110/ which includes transport, entry fees and snacks.

Interested students can pay the amount to their respective class teachers by 23rd September. The parents have to drop the child in the school at 8.00 am and pick the child at 1.00 p.m from the school only.

Principal.
