

Dear Parents,

Grade IV

Date : 23.01.23

Greetings!

Field Trips are arranged to enhance or supplement the educational experience of the students. It allows the students to get out the formal context of the classroom and cultivate shared experiences.

The field trip to **KHOJ MUSEUM has been scheduled on 8th February 2023 for students of Grade IV.**

KHOJ is one of the first dynamic group of museums in India focusing on connecting science, art, and innovation by means of participatory displays, inquiry-based activities, and inquisitiveness-based explorations. Students are encouraged to interact, participate, play, and explore different exhibits and concepts. The main philosophy of the museum is to have fun and build inquisitiveness while exploring the exhibitions, in the process they will learn and understand different concepts in-depth and further build their own small movements to promote the concept of innovation. Art and creativity remain at the core of the museum and acts as a bridge between science, innovation, and daily.

Fees: 120 Rs [includes entry fee, transport & snacks]

Interested students have to pay the fees to the class teachers by 2nd February 2023.
