Dear Parents and Students !!!

We are very happy to welcome our students for the new Academic Year 2022-23. As we all know that a Child's educational prospects flourish with the active involvement and co-operation of parents. When the school and parents join hands in sharing responsibility of a child, the success is certain. We really appreciate the efforts of parents who engaged themselves during the online mode of teaching during the last 2 years of Covid-19. We request all the parents to vigorously supervise and guide your ward's progress in new session.

We aim our students to be instilled with the values of Wisdom, Knowledge, Courage, Humbleness, Honesty and Character for their prospering present and future. We seek whole hearted support of parents in our noble endeavour so that the student can have bright future ahead.

“Wishing you a Great Year Ahead “
