

Grade I to V

Dear Parents,

Date : 30.06.23

Health check-ups **help to ensure normal development, healthy growth, and protection from preventable disease.** Proper nutrition, activity, and immunizations help kids avoid common and potentially severe disease.

We have organized the 'Health check-up' for our students on 3<sup>rd</sup> July, 2023 during school hours. For the Health Check-Up eminent doctors are invited.

The health check will be:

- Dental check-up
- Eye check-up

Further, to keep you informed, there will be no application of injection or medicine during the procedure.

Please note:

- Regular school uniform
- Regular time table to be followed
- Regular school timing for all the Grades
- Attendance is compulsory for all the students

Educative Health Session on Nutrition and Balanced Diet will be taken by medical experts on 1<sup>st</sup> July 2023.

Thanking you all for your kind cooperation.

Principal.
