

Dear Parents

Date : 02.08.23

Greetings!

Spelling, the art of correctly assembling words from their letters, is one of the key components of successful writing. The skills in spelling, reading, writing and comprehension are closely linked. Spelling instructions improves the ability to read as it builds a learner's knowledge of the alphabetic system as it is used in reading. The ability to recognize the links between word of same origin and understanding word relationships has been proven to assist comprehension skills. Learners who feel confident about letters and word patterns can read & understand more complex texts.
