

Grade 1 & 2

Dear Parents,

Date: 12.04.23

Greetings!

As you are aware that we have introduced the activities in our curriculum for the overall development of the child. The CHESS is the compulsory activity wherein all the students will participate while the parents have to select any one activity from SKATING OR KUDO for their ward. The consent letter for the activity selection is given below which is to be filled and submitted to the class teacher by 15th April 2023.

The students opting for SKATING have to bring skates of JOINEX JUNIORS whenever they are having skating lecture.

The students opting for KUDO will have to buy Kudo uniform from the Faculty for which information will be given later.
