

STD 2

Dear Parents,

Date: 5.01.26

Greetings !

This is to inform you that **FIELD TRIP to Aquatic Gallery, Science City** is scheduled on **6th January 2026**.

The Science City Aquarium in Ahmedabad, India, known as the **Aquatic Gallery**, is India's largest public aquarium, offering a journey through diverse aquatic ecosystems with over 188 species, including a thrilling 28-meter underwater tunnel.

Students have to come in proper school uniform & have to bring books & notebooks of first three lectures only.

Breakfast will be provided by the school, while lunch will be as on regular days. [If taking from school, than we will provide. If from home than parents have to send the tiffin as on regular days]

Principal.
