Supportive Parents! Here are some ways you can be involved in your child's education.

- Establishing routines for study, sleep, and screen time to promote discipline and healthy habits.
- Asking about their day, listening to their concerns, and creating an environment where they feel comfortable sharing challenges.
- Allowing children to solve problems on their own, fostering responsibility and encouraging them to take on age-appropriate tasks.
- Enthusiastically engaging in play, laughing and showing genuine pleasure in spending time with your child.

We look forward to a fantastic year filled with learning and wonderful experiences, providing a conducive environment to the discipline, motivation and excellence in learning.

We thank you for your cooperation and continued support.
