

Dear Parents,

Date : 6 /03/21

Greetings !

The first circular dated 16/10/2020, had intimated about our affiliation with CBSE.. We received the affiliation in the month of October 2020, for the academic year 2020-21. We conveyed the same to our parents through messages, website , social media and E media

The Second circular dated 24<sup>th</sup> February 2021 had been given with CBSE details. It has been observed that some of the parents are mislead, regarding the CBSE board. So please go through the following points .

- The new academic session 2021-22 will commence from 1<sup>st</sup> week of April 2021 along with new guidelines and S.O.P for CBSE and State Government.
- **TRIPADA ENGLISH SCHOOL is having CBSE board only . So the parents have to fill the form for the next academic year before 10<sup>th</sup> March.**
- **The student who is willing to go elsewhere has to give application for the leaving certificate before 31<sup>st</sup> March. In case of no application , we will assume that you are willing to continue in the school**
- We will follow the CBSE curriculum , assessment pattern, Subject Enrichment Activity etc
- The parents are requested to enroll their child for the next academic year in CBSE board as to avail the online or offline teaching starting from April 2021.

We bring to your notice that few parents are distracting majority of parents for their personal vested interests .Most of the parents have already given their consent for CBSE in the year March 2019 [ before we applied for CBSE ]. We suggest the parents to take a sensible decision for the betterment of your ward.

Since years we have been a prey to gossips which are adversely impacting the behaviour of students and other stake holders. It is our responsibility to curtail the chain reaction of such gossips. It is my personal appeal to the parents that together we can hold hands and work for the future & better prospects of your ward.

Dr Pratiksha Parikh
