Dear Parents,

Greetings.....

Hope you and your family members are fine and very much healthy. Right now, we all are facing problems due to this pandemic, school students are the most affected but still we team are providing the digital education at our best way where the students are engaged and engrossed into their studies.

We have started the new academic year 2021-22 from 15th of April and students also get into our system, started participating in their routine classes and trying to get the lesson thorough. Kind request to the parents to pay the first quarter of the fees for the academic year 2021-22.
