

शुभं करोति कल्याणमारोग्यं धनसम्पदा ।
शत्रुबुद्धिविनाशाय दीपज्योतिर्नमोऽस्तुते ॥

Dear Parents and Students,

The biggest festival of the year Deepawali is approaching, I wish each of you a festival filled with joy, light and togetherness. This festival reminds us of the victory of light over darkness, goodness over negativity, and family bonds that grow stronger with each celebration.

Deepawali is a beautiful opportunity not only to celebrate but also to honour and pass down the significance of our festivals to the younger generation. I encourage you all to take a moment during this festive season to share the meaning and traditions behind Deepawali, helping children understand its cultural and spiritual importance. These traditions are that which connects us to our heritage, foster values of compassion, gratitude, and respect.

As we enjoy this vacation, let's make the most of it as family time. Strengthen family bonds by engaging in meaningful conversations, sharing stories and creating lasting memories together. Whether it's decorating the home, preparing festive treats or gathering for a traditional prayer, these shared experiences help children understand the true spirit of our festivals.

To ensure a safe and enjoyable celebration, here are a few safety pointers:

- Use diyas carefully, keeping them away from flammable materials.
- Keep emergency items like water and a fire extinguisher nearby if using firecrackers, and always supervise children.
- Embrace eco-friendly practices to minimize noise and air pollution.

**Wishing each of you a safe, joyous, and meaningful Deepawali.
May this festival bring happiness, harmony, and prosperity to your home.**

Warm regards,

Principal

Dr. Pratiksha Parikh
